Dear Sir / Madam,

Congratulations on opening your demat account with CSBL. We are sure that operating your CDSL demat account has been an enjoyable and cost-effective experience for you. We, at CSBL, are unflagging in our efforts to provide you with convenient, dependable and secure depository services. Through this communication, we seek to convey some simple but important requests (in "DOs and DON'Ts" format), to help you operate your CSBL demat account.

DOs Please keep a copy of the DRF and Share certificates (that contain the distinctive numbers of your shares), before sending the shares for demat. Check the demat requests clearing performance of the company with your DP before deciding to send share certificates for demat. Ensure that, both, your holding and transactiion statements are received periodically. You are entitled to receive a transaction statement every month if you have done any transactions and once a quarter if there have been no transactions in your account. Check the statement on receipt. In case you notice any unauthorized debits or credits, contact your DP for clarification. If not resolved, you may contact CDSL. Keep the instruction slip book in your safe custody. Check your balance on real-time basis through easi. While giving debit instructions to your DP, ensure that all joint holders, if any, of the demat account sign the slip. Accept the DIS book from your DP only if each slip has been pre-stamped / printed with a serial number and your demat account number. 1 Always mention details like ISIN, number of securities, etc. accurately. If in doubt, contact your DP or your Authorize any corrections, over-writing or cancellations on the instruction slips by signing against the same. If there is space for multiple instructions and it is not used fully, please strike out the blank space for furnishing securities details.

DON'Ts

/

- X Do not leave your instruction slip book with anyone else.
- X Avoid pre-signing of blank DIS, as it is equivalent to a bearer cheque.
- X Avoid over-writing, cancellations, misspellings, changing of name and quantity of securities, etc., while using the instruction slips, demat request forms, etc.

Inform your DP of change, if any, in address, telephone number, etc. as early as possible.

You will appreciate that the above steps would enable you to enjoy hassle-free operation of your demat account.

POLICIES & PROCEDURES

Policies with respect to orders in Penny Stocks: The term Penny Stocks could be used to refer to stocks trading at a price less than Rs10 or at a price less than the face value. These stocks have less liquidity and small trading volumes, which make them prone to price manipulation. The clients are cautioned to exercise due care while dealing in Penny Stocks as trading in such stocks are very risky. To check excess volatility and chances of price manipulation the list of such stocks are put out by the Exchanges on a monthly basis in special categories and it is for the clients to exercise due diligence while dealing with such stocks. Permissions to deal/providing limits in such stocks is at our sole discretion and we may choose to allow or disallow clients in dealing on them depending on a number of factors including regulatory norms, our risk management system etc.

Client's Exposure Limit: We have a margin based Risk Management System. The Client's Credit /Debit balance in the ledger, the pledged securities held in Beneficiary Account, are considered for setting exposure limits. We may from time to time impose and vary limits on the orders that the client can place through our trading system(including exposure limits, turnover limits, limits as to the number of times of the value and / or kind of securities in respect of which orders can be placed etc.) The client is aware and agrees that the CSBL may need to vary or reduce the limits or impose new limits urgently on the basis of the stock broker's risk eprception and other factors considered relevant by the stock broker including but not limited to limits on account of exchange/SEBI directions/limits(such as broker specific exposures etc.) and we may be unable to inform the client of such variation that the CSBL shall not be responsible for such inability to route any order through its trading system on account of any such variation, reduction or imposition of limits. The client further agrees that the CSBL may at any time, at its sole discretion and without prior notice, prohibit or restrict the client's ability to place orders or trade in securities through the stock broker, or it may subject any order placed by the client to a review before its entry into the trading systems and may refuse to execute/allow execution of orders due to but not limited to the reason of lack of margin/securities or the order being outside the limits set it/ Exchange/SEBI and any other reasons which it may deem appropriate in the circumstances. The client agrees that the losses, if any on account of such refusal or due to delay caused by such review, shall be borne exclusively by the client alone. In case of exposure taken on the basis of shares margin, the payment is required to be made before the exchange pay in date otherwise it will be liable to square off after the pay in time or any time due to shortage of margin.

Brokerage Rate: Brokerage would be charged by CSBL at mutually agreed (between CSBL, its Sub-Broker / Authorized Person & client) rates within the permissible limits as prescribed by SEBI/Exchanges (presently stipulated as not to exceed 2.5% of the trade value- & which is inclusive of the sub broker's brokerage not to exceed 1.5% of the trade value).

Penalty/Delayed payment Charges by either party: The Client is aware and agree that pay-in of Securities or Funds are required to be made to CSBL on or before the regulated payin time on T+1 day. The client will be liable to pay late pay in/delayed payment charges for not making payment of their payin/margin obligation on time as per the exchange requirement at the rate of 2% per month. However, this shall not be construed to mean / or result in a permanent practice resulting in funding of the client by the broker in contravention of applicable laws. Further where the stock broker has to pay any fine or suffer penalty from any authority in connection with/as a consequence of/in relation to any of the orders/trades/deals/actions of the client, the same shall be borne by the client

Sale of client Securities, Closing clients' Position due to non payment of Client dues: The client is informed by CSBL that in case of any delay by client which being beyond permissible time limits as prescribed by SEBI's / Exchange's rules, regulations, byelaws, circulars / other applicable laws, in making the payment / clearing off obligations, dues, debit balances, margin, MTM debit balance etc., then client's open positions might be squared-off, credit balances of securities or securities lying with Broker might be sold off, credit balance of funds might be adjusted against client's obligation, debit balances or liabilities without any notice from CSBL and the client agrees to the same.

Shortages in obligations arising out of internal netting of trades: Clients are required to make Securities / Funds payin on or before regulated payin time on T+1 day. In case of default in security pay-in, by the client and the shortage is at member level i.e. internal shortage, then the benefit calculated is the lowest among the highest NSE/BSE rates for T & T+1 plus penalty (decided by the member from time to time) will be debited to the defaulting client and the same is passed on to the opposite party.

In case of the default of securities pay-in by the client, other than internal shortage, auction value of the respective exchange plus penalty, if any and other statutory charges shall be recovered from the defaulting client alongwith brokerage. In case of the shortage from exchange the exchange will conduct auction and transfer the shares on auction payout day and will be credited shares and / or funds to the respective clients on settlement by Exchange.

In the case of funds default by the client, the member shall be liquidating the stocks to recover the money. Any shotfall arising out of the liquidating securities by the members shall also be recovered from the defaulting client along with interest (decided by the member from time to time).

Conditions for barring client from taking further position & closing of existing position: The clients are obliged to monitor their positions regularly to ensure prompt pay-in to member. Failure/delay to meet margin obligations, pay-in obligations; failure/delay to clear outstanding debit balance by the client within the permissible time limit or beyond the time as CSBL has prescribed in its Risk Management Policy, frequent returning of cheques, cancellation of trades by the Exchange suo moto are among the few circumstances which may result in CSBL not permitting the client to take any fresh position/ closing the existing position or open position without any further notice. CSBL in our discretion may not reverse this, till such time that the client clear his/her/its' dues.

TemporarySuspension / Account closure: Either client or CSBL can initiate steps for temporary suspension and account closure of the client. The client can do so through prior written signed request made within a reasonable time to our Office at Kochi. Account closure requests would be entertained subject to the client clearing their entire dues/obligations. During the period the client account is suspended, the market transaction in the client account will be prohibited. However the client shares/ledger balance settlement can take place.

CSBL can initiate the temporary suspension of a client account due to its dormant/inactive status. Dormant / inactive accounts refers to those accounts with no transaction for two year from the last date of transaction. The period of two year will be counted from the last day of respective month in which the last transaction as aforesaid took place.

Failure/delay to meet margin obligations, pay-in obligations; failure/delay to clear outstanding debit balance by the client could also result in CSBL deciding to temporarily suspend the client account/close the same.

Deregistration of the client: Notwithstanding anything contrary stated in the agreement, CSBL shall be entitled to terminate the agreement with immediate effect in any of the the following circumstances:

- i. If the action of the client are prima facie illegal/improper or such as to manipulate the price of any securities or disturb the normal/proper functioning of securities or disturb the normal/proper functioning of the market, eitheralone or in conjunction with others.
